How to Update Your Information in My Retina Tracker®

There are two ways you can log in:

- By clicking on the Login tab on the main toolbar:
- OR by entering your username and password in the Login box provided on the left panel at the bottom of the Home page:

If you have forgotten your username and/or password, click on the Forgot hyperlink in the Login box on the left side of the Home page of the website.
Click on “Profile” on the main toolbar.

From the Profile summary page, navigate to the section you want to update:

For example, to update your Account Details, that is, information about your name, address and contact information, click on the Update hyperlink inside the box labeled Account Information.

ACCOUNT INFORMATION

To review and update the data that forms your Retinal Health Profile, navigate to the box labeled Medical Surveys on the left. Then click on the blue “Participant Provided Data” hyperlink.

You will get a list of all the questions and your answers.

Diagnosis

- Does the participant have an inherited retinal degenerative disease? (If you do not have an inherited retinal degeneration, many of the following survey questions will NOT apply to you, but please answer those that are still relevant.)
  - No - I am not affected. I am genetically related to someone who is affected by an inherited retinal degenerative disease.

- What was the participant's age in years when they first began experiencing symptoms of the rare disease? Please select one.
  - No Response

- What is the participant's PRIMARY disease diagnosis or name of their retinal degenerative disease? Please select one. If you answered Not Affected to the previous question, please select Not Applicable to this question.
  - No Response
To change your response to any one question, click on the Edit icon next to the question you want to update. The edit icon looks like a pencil and paper.

That question will appear in an edit box. Change your answer and then click on “Update.” If you change your mind and don’t want to accept your selection, click Back.

Your profile will be updated and you will be returned to the list of surveys.

To make more changes click on the edit icon to the left of the question you want to edit.

**Please note:** Participants can edit only the data they have provided. Those surveys appear under the Participant Provided Data hyperlink.

Clinical data provided by a health care provider can be viewed by the registry participant but cannot be edited. Clinical data would only be input and accepted if you requested your doctor to do so.
